

Portland 10

With the exception of 1982 and '83, this race has been run since 1980. As stated previously, in 1980 and '81 the race started down below from the Jolly Sailor in Castletown. The finish was on the old Naval Air Station sports field now Officers Fields housing estate. The entry fee was 40p. In 1984 a new course was introduced. This was a clockwise 1 ½ lap race round the top of the island and to the Bill and back. Due to traffic congestion at the Heights roundabout the course was altered and re-measured for the 2012 race. The course is very similar to the old course but is run in an anti-clockwise direction.
